

Chess Table

The most ancient board game in the world brought to you on a Luxurious Table.

Beautifully Hand-crafted out of a single wood plank, solid, sturdy, nice chess table with smooth, lacquer finish that brings out the Elegant Sheesham wood with White Inlaid Work surface, legs, and drawers.

Double drawers for storing the Chess Men for both players separately fit right under the playing surface. Four Inlaid sturdy legs give the table plenty of support. Comes in Round and Square shape with height 30". A true Masterpiece.....It's hard to ask for more in one.
