

GAM-0010 Cricket Pitch Electric Roller (750kg Capacity)

- Body (MS): Dynamic Sleek
- Net Weight: 400kg.
- Gross Weight: 750kg. (After filling oil/water)
- Rolling Width of 36"
- Motor Power: Upto 2 HP (ISO 9001)
- Sit behind, stand behind & remote control option.
- Super Silent & Eco Friendly
- Special Safety Drive (Computerized Programming)
- Speed: Variable Speed
- Easy to move forward or reverse.
- Control Penal: Easy to drive with minimum effort.
- Accessories Providing: Electrical wire 80mt. (ISI)
- Very low maintenance and running costs.

GAM-0011 Cricket Pitch Electric Roller (1.5 Ton Capacity)

- Body (MS): Dynamic Sleek with roof
- Net Weight: 1000kg.
- Gross Weight: 1500kg. (After filling Oil/Water)
- Rolling Width of 36"
- Motor Power: Upto 3 HP (ISO 9001)
- Super Silent & Eco Friendly
- Special Safety Drive (Computerized Programming)
- Speed: Variable Speed
- Easy to move forward or reverse.
- Control Penal: Easy to drive with minimum effort.

GAM-0012 Cricket Pitch Electric Roller (2 Ton Capacity)

- Body (MS): Dynamic Sleek with Roof
- Net Weight: 1400kg.
- Gross Weight: 2000kg. (After filling Oil/Water)
- Rolling Width of 36"
- Motor Power: Upto 3 HP (ISO 9001)
- Super Silent & Eco Friendly
- Special Safety Drive (Computerized Programming)
- Speed: Variable Speed
- Easy to move forward or reverse.
- Control Penal: Easy to drive with minimum effort.

GAM-0013 Cricket Pitch Electric Roller (3 Ton Capacity)

- Body (MS): Dynamic Sleek with Roof
- Net Weight: 1400kg.
- Gross Weight: 2000kg. (After filling Oil/Water)
- Rolling Width of 36"
- Motor Power: Upto 3 HP (ISO 9001)
- Super Silent & Eco Friendly
- Special Safety Drive (Computerized Programming)
- Speed: Variable Speed
- Easy to move forward or reverse.
- Control Penal: Easy to drive with minimum effort.

GAM-0014 Cricket Pitch Petrol Cum Electric Roller (1.5 Ton Capacity)

- Body (MS): Dynamic Sleek with Roof
- Net Weight: 1000kg.
- Gross Weight: 1500kg. (After filling Oil/Water)
- Rolling Width of 36"
- Motor Power: Upto 3 HP (ISO 9001)
- Engine: Briggs & Stratton (Petrol)
- Engine Starting Type: Electric
- Super Silent & Eco Friendly
- Special Safety Drive (Computerized Programming)
- Speed: Variable Speed
- Easy to move forward or reverse.
- Control Penal: Easy to drive with minimum effort.
- Accessories Providing: Electrical wire 80mt. (ISI)
- Very low maintenance and running costs..

GAM-0015 Cricket Pitch Diesel Cum Electric Roller (3 Ton Capacity)

- Body (MS): Dynamic Sleek with roof
- Net Weight: 2300kg.
- Gross Weight: 3000kg. (After filling Oil/Water)
- Rolling Width of 48"
- Motor Power: Upto 5 HP (ISO 9001)
- Engine: Diesel
- Engine Starting Type: Electric
- Super Silent & Eco Friendly
- Special Safety Drive (Computerized Programming)
- Speed: Variable Speed
- Easy to move forward or reverse.
- Control Penal: Easy to drive with minimum effort.

GAM-0016 Cricket Pitch Petrol Cum Electric Roller (1 Ton Capacity)

- Body (MS): Dynamic Sleek
- Net Weight: 600kg.
- Gross Weight: 1000kg. (After filling oil/water)
- Rolling Width of 36"
- Motor Power: Upto 2 HP (ISO 9001)
- Sit behind, stand behind & remote control option.
- Super Silent & Eco Friendly
- Special Safety Drive (Computerized Programming)
- Speed: Variable Speed
- Easy to move forward or reverse.
- Control Penal: Easy to drive with minimum effort.
- Accessories Providing: Electrical wire 80mt. (ISI)
- Very low maintenance and running costs.

GAM-0017 Cricket Pitch Petrol Cum Electric Roller (1.5 Ton Capacity)

- Body (MS): Dynamic Sleek with Roof
- Net Weight: 1000kg.
- Gross Weight: 1500kg. (After filling Oil/Water)
- Rolling Width of 36"
- Motor Power: Upto 3 HP (ISO 9001)
- Engine: Briggs & Stratton (Petrol)
- Engine Starting Type: Electric
- Super Silent & Eco Friendly
- Special Safety Drive (Computerized Programming)
- Speed: Variable Speed
- Easy to move forward or reverse.
- Control Penal: Easy to drive with minimum effort.

GAM-0018 Cricket Pitch Petrol Cum Electric Roller (2 Ton Capacity)

- Body (MS): Dynamic Sleek with roof
- Net Weight: 1400kg.
- Gross Weight: 2000kg. (After filling Oil/Water)
- Rolling Width of 36"
- Motor Power: Upto 3 HP (ISO 9001)
- Engine: Briggs & Stratton (Petrol)
- Engine Starting Type: Electric
- Super Silent & Eco Friendly
- Special Safety Drive (Computerized Programming)
- Control Penal: Easy to drive with minimum effort.
- Accessories Providing: Electrical wire 80mt. (ISI)
- Very low maintenance and running costs.
