

# FOOSBALL TABLE

GAMA Foosball is an attractive sophisticated table is attractive and perfectly designed to streamline your playing experience. The chromium-plated steel telescopic rods won't shoot through the other side and have nylon-encased Inox steel ball bearing bushings for high-speed, smooth play and lasting durability. Unbreakable men are permanently molded to the rods for a reliable game, and the convenient scorers and exterior nylon ball boxes are easy to access. Made of 0.75-inch thick laminate with 12-inch deep sides, the butcher block style cabinet arrives preassembled to further reduce assembly time. The attractive medium wood contrasts nicely with the black metal legs coated with a washable powder varnish. Leg levelers ensure a flat playing surface. This sturdy table includes instructions and all playing accessories.
